

1.0 FTE Reading Support and Intervention

Non-continuing 1.0 FTE Reading Support (possibly some mathematics) for the 2020-2021 school year. Serve Stevenson and Carson Elementary School students (K-5th Grade) providing reading instruction and support.

Responsibilities

- Set goals and plan lessons with staff using research-based instructional methods in the area of English/Language Arts.
- Use data to guide intervention recommendations for individual students
- Develop and sustain collaborative relationships with teaching staff
- Teaching in small groups sessions for intensive and strategic students
- Provide training in use of specific reading intervention materials and assessments to mentors/volunteers as appropriate
- Monitor fidelity of implementation of research-based instructional programs
- Participate in developing strategies for working with diverse learners
- Carry out responsibilities of grant funding this position.
