

Report to Our Community

2018-19 School Year

A MESSAGE FROM THE SUPERINTENDENT

With a district motto of “Children First,” it’s no surprise we are committed to providing each and every student with an excellent education. We have high expectations of our students and staff to always do the best we can do, which is why we are doing a review of our successes and areas where we have opportunities for growth with the support of OSPI (Office of Superintendent of Public Instruction).

Our assessment scores show us that our work is making a difference! Our 10th grade students exceeded the state average on their English Language Arts state assessment. With our partners at OSPI and Educational Service District (ESD) 112, we’ve put together a coordinated support team to look closely at the data and develop strategies for improvement.

There is nothing more important to us than creating a safe, positive learning environment for our students and helping them to lead happy, successful lives. Thank you for entrusting us with your children.

Sincerely,

A handwritten signature in blue ink that reads "Karen Douglass".

Karen Douglass, Superintendent
