

PROPOSED AGENDA AND CONSENT AGENDA

The Board Secretary shall be responsible for preparing the proposed agenda for each meeting, in collaboration with the Chair. Copies of the proposed agenda, minutes of the previous meeting and relevant supplementary information will be delivered to each Board member at least three (3) days in advance of the meeting and will be available to any interested citizen at the superintendent's office or electronically twenty-four (24) hours prior to the meeting.

Consent Agenda

To expedite business at a school Board meeting, the Board approves the use of a consent agenda which includes those items considered to be routine in nature.

Any item which appears on the consent agenda may be removed from the consent agenda by a member of the Board. The remaining items will be voted on by a single motion. The approved motion will be recorded in the minutes, including a listing of all items appearing on the consent agenda.
