

## **STUDENT DRIVING**

Students may drive automobiles to and from school. They may not be driven during the school day without the consent of the parent and principal. The school district does not grant permission for students to ride in another student's automobile. If parents wish to grant permission, written permission must be on file in the school office.

A student may use the school parking lot subject to the following conditions:

- A. A student must register the car in the school office. The student must possess a valid Washington driver's license and show evidence that there is liability and property damage insurance coverage on the vehicle and acknowledge that he/she will assume full responsibility for any comprehensive or collision claims that may occur while on school property.
- B. Students may not drive a vehicle (without permission) during the school day with the exception of the school lunch period.
- C. In terms of student conduct rules, "possession" of alcoholic beverages, illegal chemical substances or opiates, firearms or a dangerous weapon shall also extend to a student's vehicle.
- D. Students are expected to operate vehicles in accordance with all Washington State Motor Vehicles law and school regulations. This includes, but is not limited to, use of seat belts, obeying speed laws, and disorderly conduct. Violations of these rules shall result in parking citations and fines.

A student who does not conform to the above rules shall be subject to corrective action.
