

Notes from October 22 round table

- Need to address additional parking, flow of drop off/pick up bus traffic at SES
- Identified need – benefit to having k-5 socialize at recess, lunch

Community comments

- 3B seems least disruptive to students
- Look into how many student at 7-8 grade benefitted from 9-12 advanced classes –several concerns with loss of “extras” for MS students
- SES as MS campus? Too expensive to restructure?
- SES needs an expansion plan and CES needs to plan for bigger classes
- Need a 2 year plan
- Look into grants: national scenic area
- Possible live stream of future round tables
