

## LIBRARY MEDIA CENTERS

Library/Media centers will be used to support the attainment of the state's learning goals. Each center shall be provided with a collection of print and electronic information, instructional equipment, and other learning resource materials to promote a positive impact on student learning. These resources will support the District's School Improvement Plan and student mastery of the essential academic learning requirements in all subject areas.

Library/Media staff shall collaborate as instructional partners with teachers to develop student's information and technology skills. Staff shall have resources available or try to obtain resources in helping students meet content goals in all subject areas and assist high school students with graduation requirements, specifically the culminating project and the high school and beyond plans.

The superintendent shall establish procedures for the selection of materials. Citizens who wish to express a concern about specific material included in the collection may do so according to the procedures outlined in 2020P.
